COVER - A familiar scene now on the Mattapoisett wharf as boat owners are preparing boats for the season and launching them daily. Sunday when this watercolor was painted saw much activity here. Many boats were under sail in the harbor and one rugged individual was water skiing. At last, at the beach, reluctant warm weather has brought the temperature of the water up to bearable levels- at least for the children. A few were in the water on the weekend. Painting by D. C. JUVENILE GRANGE BOOK DONATION

Mrs. Dorothy C. Baker, librarian of the Old Rochester Regional High School, is shown accepting one of the eight new books donated to the school library by the Mattapoisett Juvenile Grange. Barry Denham, master, and Doris Fearing, Home and Community Service chairman of the Juvenile Grange, presented the gifts to Mrs. Baker before a table display of the books. The table bears a sign of acknowledgment which reads "Hats off to the Mattapoisett Juvenile Grange". Mrs. Baker expressed her appreciation for the generous gifts which will add to the growing library collection. It is evident by the titles that care and thought went into the selection of these books, for they are a variety of fiction and non-fiction that will appeal to the interests of the students who will use them. Among them are "The Coin Collectors' Handbook", "They All Discovered America", "Ring of Bright Water," "New England Flavor," "Singer Sewing Book," "One for the Crowd," and "The Popular Crowd". The shelves at this beautiful school library are filling. Mrs. Baker said that there are now 2,500 books available to the students. This is a remarkable collection for a school which has been in operation for only one year. The light and cheerful room is popular with the students who were

members of the Juvenile Grange can be proud of their contribution which will certainly be used to advantage. In the short time that the books have been on display, one book was already on loan to a student. This is, indeed, community service, as these young people take the lead in a worthy project which may inspire others to a similar example. Hats Off to the Mattapoisett Juvenile Grange is the way the library expressed it and we think everyone will share this same feeling for these young citizens.

MEMORIAL DAY RIVER RACE

River racers this year will be shooting at a record time set at last year's race by David Lizotte of Rochester and John Makuch of Mattapoisett. They broke their own record of the previous year of 2 hours 1 minute and 15 seconds with a new time of 1 hour 39 minutes and 15 seconds for the 12-mile paddle down the river to the Herring Weir. This annual race which attracts many spectators from the towns surrounding the river is sponsored by the Rochester Men's Brotherhood. Always an exciting start to the Memorial Day, this race is run against time due to the narrowness of the river. At the starting point in Rochester the contestants can be seen jockeying for position in the open as they cross the ponds, but after the portage at the Rounseville Saw Mill the races enter the close confines of

the river where they are hidden from view for much of the time. The spectators follow the race by car traveling from point to point where the races appear in the open. The finish at the Herring Run is the gathering place for most of the spectators who have really good visibility there for a good stretch of the river. Last year's race was unusual due to the fact that the girls' team of Judith Furnans and Barbara Harriman was competing. The large crowd cheered them to a finish as a popular and attractive addition to the field. Judith this year competed in an entirely different competition when she was one of the five finalists in the Miss New Bedford contest. This year the race should furnish the same entertainment that have drawn spectators to the river for more than the 30 years since James Hartley originated it.

To date there have been 14 boats entered. There may be more or there may be some dropouts. The race is to start at the usual place, at Grandma Hartley's in Rochester.

The Rounseville dam gave way several weeks ago so that the pond at that point is gone. However, there is enough water going through the river so that the boats can still navigate the dry bed that was the pond. Crews may have to get out and push in spots where the water is too shallow. This fact will make a record very difficult, for in the past two runs the river has been full and fast, and the run across the pond has been very fast.

There will be a dance after the race, Me-

FRIENDSHIP CIRCLE MEETING

The monthly meeting of Hilltop Friendship Circle was held in the Sunday School rooms with Mrs. Marian S. Hatton, president, conducting the business.

The members worked on articles for the summer fair, to be held August 14th. Additional meetings are scheduled for two months to work on the fair projects. Mrs. Hatton appointed committees for the fair as follows: Mrs. Laura Boynton, Mrs. Helen Winslow, Mrs. Mary Hammond and Mrs. Edna L. Borden, food; Mrs. Cynthia Power and Mrs. Nettie M. Greenwood, grabs; Mrs. Dorothea LeBaron, Mrs. Elizabeth Tomkiewicz and Mrs. Esther Terwilegar, candy; Mrs. Lillian Johnson, Mrs. Edna Smith, Mrs. Ethel Morey and Mrs. Florence Dexter, fancy work; Mrs. Emma Walsh, Mrs. Edith Morrell and Mrs. Ethel Johnson, white elephants; Mrs. Hatton, Mrs. Nettie Newell, Mrs. Marjorie H. Wilson and Mrs. Ruth Shaw, tea.

Mrs. Lillian Johnson, chairman of the goodwill committee, reported on cards sent to shutins.

After a basket lunch, ice cream and cake were enjoyed, in observance of the birthday of two members, Mrs. Tomkiewicz and Mrs. Ethel Johnson. Members plan to celebrate the Circle's anniversary by going somewhere for a dutch

treat luncheon.

A letter from Dr. and Mrs. Chapel (Rachel Mostrom, daughter of the late Rev. Oscar Mostrom) outlining the educational work they are doing in Taiwan, Formosa, was acknowledged, and a donation voted, which will accompany donations made by individuals at the Sunday service at the Meeting House. It was learned that one dollar of American money is worth forty in Formosa.

The Circle served a chicken shortcake dinner to forty persons who attended the Preparative meeting April 21st. The next such meeting will be held at Long Plain Quaker Meeting House in July.

Members authorized the secretary, Mrs. Edna L. Borden, to write letters to United States Senators from Massachusetts, Leverett Saltonstall and Benjamin A. Smith, expressing approval of Senate Resolution #325, introduced by Senator Wayne Morse from Oregon, which would prohibit the serving of alcoholic liquor in the Senate wing of the United States Capitol, excepting Senators' offices. Senator Morse's speech in favor of his Resolution, printed in the Congressional Record of May 4th, stated that he saw 5 employees in the Senate reception room on April 2, getting two bars set up for a cocktail party staged at 4 o'clock. He said he did not consider such expenditures of taxpayers' money to be justifiable.

It was voted to have a food sale in early June. The next meeting will be held May 22nd.

HAM AND BEAN SUPPER

A ham and bean supper will be held in the Rochester vestry at 6:30 P.M., Saturday, May 26th, for the benefit of the Mattapoisett River Boat Race. The Rochester Men's Brotherhood will serve and sponsor this affair, and tickets may be obtained from Brotherhood members.

FORESTRY MEETING

A forestry field meeting will be held this Wednesday, May 23rd, at 1:30 P.M. at the Hartley wood lot on Walnut Plain Road, Rochester. There will be a program with speakers and presentation of the Tree Farm award to Hartley Saw Mill by Raymond Tenney, director of the Division of Forests and Parks, Massachusetts Department Natural Resources.

The Hartley Saw Mill has been operated as a family business since 1880. Prior to 1880 the mill site was grist mill and before that a bog iron smelter. For many years the primary product was box lumber. Much of the manufactured material was shipped to New York and Philadelphia from Mattapoisett, Marion and New Bedford.

In recent years the principal product has been lumber for the building trade, ship building and wharf work. Hartley Company owns 2,000 acres of woodland of which 1,750 acres are in the tree farm program. Good forest management has been the practice by the family for years.

REPUBLICAN TOWN COMMITTEE MEETING

The postponed meeting of the Rochester Republican Town Committee will be held this Wednesday, May 23rd, at the Rochester Public Library in the evening.

MATTAPOISETT LIBRARY TRIES NEW PROGRAM

In order to increase the variety and range of reading for the Mattapoisett Library users the Library has installed a new system now in use by many other Libraries throughout the country. This system, called Lend-Lease, is an arrangement with the book publisher by which the Library chooses 100 books for a period of ten months. Every month ten of the books may be returned if they do not circulate, and in exchange ten new books are sent to replace them. This guarantees that a constant turnover of fresh books will al-

LIONS CLUB HORSE SHOW

The Middleboro Lions Club will hold its third annual Horse Show on Sunday, June 3rd. There will be 32 classes in this event including 4 stake races.

As a special added attraction this year, there will be a gigantic Sportorama; an exhibit of all types of sporting, camping and other outdoor equipment including boats, trailers, patio furniture, farm and garden equipment and machinery, and many other displays.

The program starts at 10:00 A.M., rain or shine. Children under twelve will be admitted free.

As a special half time attraction this year, there will be a Pony Roadster racing program.

The Show is to be held at the Golden Spur Ranch, Camp Joe Hooker, Route 105, Lakeville, Mass. Trophies, ribbons and cash prizes will be awarded.

HIGHWAY ARTISTS SCORED BY ALA

Would-be artists, who decorate trees and rocks along major highways with fraternity symbols and arrow-pierced hearts, were urged today, by the Automobile Legal Association, to confine their showings to the backyards.

"Tourists make a highly unappreciative audience," said ALA's general manager, Philip C. Thibodeau.

"Few of these budding artists realize that their artistic abilities can land them in the courts charged with defacing public property. A sizeable fine can result.
